

Evergreen Events – Save the Dates!

Events are an important part of sustaining our efforts to preserve Evergreen Memorial Historic Cemetery. **Save the Dates for these upcoming events!**

All events are in work. We need volunteers to help us! If you are looking for a way to be involved in your community and have fun at the same time, email us at emhc.cemetery@gmail.com We do have a lot of fun at these events! All proceeds go toward securing the future of this beautiful cemetery.
