Wreaths Across America started as a simple gesture of thanks that, over the last ten years, has grown into a national movement of dedicated volunteers and communities coming together to not only remember the nation's fallen and honor their service, but to teach the next generation about the sacrifices made for us to live freely. This year, there will be close to 1,500 participating locations placing wreaths on National Wreaths Across America Day – Saturday, Dec. 15, 2018 – with more than a million volunteers.

Our goal is to raise enough funds to place wreaths on the headstones of all the veterans laid to rest there!
